FOR THE YEAR ENDED 31 DECEMBER 2023

OBJECTIVES AND ACTIVITIES

a. Objectives

A committee of Friends, (members of the Religious Society of Friends (Quakers)) established Bloomfield Hospital in 1812 with the primary objective of providing humane psychiatric care. This charitable work was formalised under a Cy Pres Scheme approved by the High Court on the 06/04/1992.

Today our Memorandum of Association states our main object is the provision of a mental hospital as formerly carried on by the Bloomfield Hospital committee.

Our vision is that every person with mental health needs will live as an active member of our community and society and will be enabled to live life to the fullest.

Our mission is to be a leader in the development of responsive, innovative and excellent services for people with mental health needs. We will do this by identifying and addressing unmet needs in mental health care alongside our key partners, and by continually improving quality in mental health care through education, research and advocacy.

b. Strategies for achieving objectives

We engage with our service users, their families, the Department of Health, the HSE, healthcare professionals, the Mental Health Commission, and the wider community, to ensure we understand the psychiatric and neuropsychiatric health care needs and gaps in service provision within Ireland. We advocate for the provision of funding to address those needs. We work with educational bodies to provide opportunities for training and research.

c. Activities undertaken to achieve objectives

Bloomfield Hospital provides residential psychiatric and neuropsychiatric services for the long-term care and treatment of people suffering from severe and chronic mental health conditions. We aim to support a person's recovery to their fullest potential and maintain their independence for as long as possible. Our hospital is an Approved Centre under the regulation and inspection of the Mental Health Commission ("MHC"). We provide the necessary clinical, medical and nursing knowledge, experience and inputs required to provide for the needs of our residents and patients.

d. Main activities undertaken to further the Company's purposes for the public benefit

We operate as an independent, voluntary, mental health service on a not-for-profit basis. We collaborate with the Huntington's Disease Association of Ireland ("HDAI"). We have a Memorandum of Understanding with Trinity College Dublin ("TCD") for the provision of academic supports such as research and training. Each year we welcome medical and nursing students on placement from a range of third level institutions.

Our Hospital services provide four distinct services in Mental Healthcare:-

1. Huntington's Disease in-patient services – long term residential care.
2. Specialist psychiatric rehabilitation services – medium term residential care.
3. Alzheimer's / Dementia services – long term residential care.
4. Severe and enduring mental illness – long term residential care.

ACHIEVEMENTS AND PERFORMANCE

a. Main achievements of the Company

We are pleased with our overall performance in 2023. We improved our compliance with the Mental Health Commission's regulations, rules and codes of practice. We achieved a compliance rating of 94% (2022: 85%).

We responded to the HSE's evolving requirements and increased the number of long stay beds for the admission of people with higher care needs. We identified this there was a growing need to care for people with early onset dementia and challenging behaviour from our engagement with health care professionals and acute hospital management. These additional beds helps the HSE's acute units improve their responsiveness and accessibility for the public.

The Special rehabilitation unit continues to improve the independence, life skills and resilience of people from across the country who are discharged back to their communities to live their lives to the fullest.

Our remedial works project made good progress during the year. Following a review it is estimated the overall project will be completed by mid-2026.

The quality of our catering service improved significantly with the appointment of a new outsourced contractor following a competitive tendering process. The feedback from our residents and staff has being very positive.

We thanked our departing pharmacy partner for their 32 years of dedicated service. A new pharmacy partner came on board after a competitive tendering process. An electronic medication management system was introduced. This system has improved the quality and safety of our medication administration.

We acknowledge the work and leadership of Dr Ian Daly, Clinical Director on his retirement in February 2024 and we welcome Dr David Denton to that post.

Our relationship with Dodder Park Medical for General Practitioner services ceased in 2023 and we are now partnered with Scholarstown Family Practice.

An electronic risk management system was rolled out during 2023. This has improved the collection and trending of incidents and improved the quality and safety of our services.

We deepened our relationship with Tallaght Hospital and now a have visiting consultant neurologist. We also worked closely with Harold's Cross Hospice to further improve our Palliative care and ensure we are always following best practice.

A new Assistant National Director for Mental Health commenced in the HSE. We have built a good working relationship with this person and continue advocate for appropriate levels of funding.

Our partnership with Trinity College Dublin continues to develop, we host students from several medical/nursing disciplines, and we will continue to grow this activity into the future.

The Put and Call option on the footprint of the land was completed by the developer and the title of our site in Stocking Lane, Rathfarnham was transferred to us.

Achievements and performance (continued)

b. Key performance indicators

The key performance indicators are:

- Quality of care delivered
- Compliance with regulations (as per MHC guidelines)
- Maximising our bed occupancy.
- Optimising the mix of our services.
- Securing a bed rate per night, which covers our costs.

Direct care wages account for the majority of expenditure, e.g. salaries for doctors, nurses, healthcare assistants, allied health professionals, catering assistants and cleaning assistants. These costs are monitored against budgeted care hours.

Net expenditure before investment gains or losses measures our performance in maximising the number of beds occupied within the capacity of the workforce to safely manage and deliver quality care. Our Finance Committee reviews budget variances monthly.

Income is dependent on bed occupancy and the mix of residents across the various care services. We provide the best care required by our residents, taking into account the availability of funding, our facilities and the capacity of our staff.

We monitor our incident reports daily. Monthly trends of incident type, severity, location and frequency are evaluated and compared to previous years. Clinical sub-committees review the data and devise strategies to manage and control the risks.

The senior management team reviews complaints and positive feedback to monitor trends and measure our effectiveness.

Risk registers are maintained at all levels within the organisation and reviewed at regular intervals.

Inspection reports from our regulator the Mental Health Commission are reviewed by all the Senior Management team and head of departments. Corrective and Preventative actions are planned, implemented and monitored. We conduct rolling internal audits to ensure compliance is maintained.

Staff turnover is monitored closely and staff exit interviews and feedback forums are reviewed by the Senior Management Team.

c. Review of activities

Our core operations are the provision of long stay residential psychiatric care services and medium term psychiatric rehabilitation.

d. Factors relevant to achieve objectives

Government finances and the budget allocated to mental health spending, the recruitment and retention of staff, are key factors affecting our ability to achieve our objectives and to deliver our services. The consistent achievement of compliance with the regulations governing our activities supports and demonstrates the achievement of our objectives.

e. Fundraising activities and income generation

We do not have an active Fundraising function at present however we do receive unsolicited regular and one off donations. We are very grateful to all our donors and thank them on behalf of all our residents and patients. At the end of 2023, the income from donations and legacies was €13,802. We returned a restricted donation to the donor because we could not confirm a start date for our Huntington's Disease outreach project as the HSE had not confirmed it's support for the project.

f. Investment policy and performance

Our Investment policy is to invest in a diverse portfolio of asset classes, industries and regions to grow the value of our investments over the long term. Any income generated is re-invested into our portfolios. We are satisfied with the outcome for 2023 as disclosed in the accounts and associated notes. The value of our investments increased during the year.

FINANCIAL REVIEW

a. Going concern

After making appropriate enquiries, we have a reasonable expectation that our company has adequate resources to continue in operation for the near future. For this reason, we continue to adopt the going concern basis in preparing the financial statements. See our notes in the Accounting Policy section for further details.

b. Reserves policy

We review the required level of reserves annually. As an independent charity, and given the long-term nature of care provided to vulnerable service users, we believe it is prudent to hold one year's operating costs, excluding depreciation, as a reserve.

c. Financial outcome

The statement of financial activities for the financial year ended 31 December 2023 and the balance sheet at that date are set out below. The net surplus for the financial year amounted to €1,717,896 (2022: deficit €1,208,272). The company is exempt from taxation. The company relies on the HSE to fund the costs of its services through the mental health, disability and older persons budgets. We continue to engage with the HSE to secure adequate funding to cover the costs of providing our services.

Charitable activities delivered a surplus of €1,717,896. Income exceeded expectation due to an increase in demand for our more complex services and also includes a grant of €500,000 towards our remedial works. The HSE also increased the funding for some of our beds and provided support for our remedial and upgrade works. The HSE provided a once off Community inflation grant which offset the costs of locum staff, recruitment, energy and food inflation. Costs increased in our maintenance and cleaning departments due to regulatory requirements.

The performance of our investments delivered an unrealised surplus of €595,863. This was due to a general increase in valuations during the year as markets recovered from the shock of the outbreak of war in the Ukraine and reduction of inflation.

d. Material investments policy

The Finance Committee reviews the investment mandates with our portfolio managers. The investment managers make decisions based on the risk preference noted within our portfolio mandates.

BLOOMFIELD CARE CENTRE CLG (A COMPANY LIMITED BY GUARANTEE)

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2023

e. Principal risks and uncertainties

We identify the following factors which present uncertainties and consequent risks, such as:-

- Accidental self-harm risks are present due the high levels of dementia and cognitive impairment of our residents.
- Policy decisions of the HSE regarding funding allocations to long-term residential care for mental health beds remain the main risk impacting on the care needs and thus affecting the average bed rates and bed occupancy.
- The evolving mix of dependency levels of current and future patients.
- Retention and recruitment of employees in all departments.
- The safety of staff to the unpredictable nature of the illnesses of our patients.
- Due to the nature of our residents' psychiatric illnesses, some require constant observation.
- Ensuring the physical environment meets current and future accommodation needs of our service users.
- Fire Risks remediation is on-going on a phased basis and will be completed in 2026.
- Enabling patients to maintain their financial independence involves an element of positive risk acceptance.

The risks listed above are in our opinion, those risks which could cause the most significant harm to our operations, reputation and finances. We identify, rate, mitigate and monitor controls of these and all risks through our Risk Management Policies and committees. We have a robust and comprehensive set of policies and procedures in place which are regularly reviewed to keep pace with evolving standards and best practice, these help mitigate the risks of our clinical and non-clinical activities.

f. Financial risk management objectives and policies

The principal financial risk relates to income derived from occupancy and bed rates. We are fully reliant on the Health Service Executive for referrals and our daily bed rates. Our overheads are fixed in nature and influenced by the Department of Health Salary scales and the regulatory requirements of the Mental Health Commission. Our objective is to balance the cost of clinical care and regulatory requirements with our HSE funding.

g. Principal funding

Our primary source of funding is from the Health Service Executive ("HSE") under Section 39 service arrangements. Most of our funding is provided on the basis of an occupied bed night. Due to the complex needs of our service users, different care needs require greater levels of service provision and consequently incur higher costs. Privately funded beds are not a material source of income.

h. Accounting records

The measures we take to ensure compliance with the requirements of Sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The company's accounting records are maintained at the company's registered office at Stocking Lane, Rathfarnham, Dublin 16.

FOR THE YEAR ENDED 31 DECEMBER 2023

Plans for future periods

We remain committed to our founding principles to provide mental health services in areas of unmet need. We continue to engage consistently with the Minister of Health, our networks and the HSE to secure agreement on utilising our capacity to deliver Mental Healthcare. We expect the remedial works in Swanbrook ward to be completed by mid 2024. This work includes the conversion of some four bedded units so that the ward will have all single ensuite bedrooms. We are exploring opportunities to provide new services or to expand our existing services with the HSE. We are constantly looking for opportunities to use our skills, agility and ability to proto-type new services, to help define and set the standard. We will be using the Mental Health Commission's new National Quality Framework for Mental Health Services to guide and formalise our approach.

The programme of facilities upgrades and remedial works are expected to be completed by mid 2026 assuming funding support is available from the HSE. Our negligence proceedings to recover costs of the remedial works and losses resulting from forced reduced occupancy are proceeding as expected.

We are investigating electronic patient record systems that are available on the market.

We continue to look for opportunities to collaborate and develop relationships with other organisations in the provision of mental healthcare (including our university partners), and we seek to engage with the local community to increase awareness, support, and provide care for those most in need.

Funds held as custodian

Private Patient Property Accounts are operated by the charity on behalf of some of our residents in the Psychiatric Hospital. Income is collected and payments made and balances held in accordance with current HSE policy.

Members' liability

The Members of the Company guarantee to contribute an amount not exceeding €2 to the assets of the Company in the event of winding up.

Post balance sheet events

We have no adjusting or non-adjusting post balance sheet events to report up to the date of signing this annual report and financial statements.

Statement of Directors' responsibilities

The Directors (who are also the directors of the Company for the purposes of company law) are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and Irish Accounting Standards (Irish Generally Accepted Accounting Practice).

Company law requires the Directors to prepare financial statements for each financial year. Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable Irish Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Disclosure of information to auditors

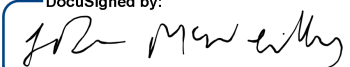

Each of the persons who are Directors at the time when this Directors' report is approved has confirmed that:

- so far as that Director is aware, there is no relevant audit information of which the charity's auditors are unaware, and
- that Director has taken all the steps that ought to have been taken as a Director in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

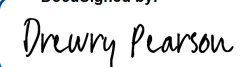

Auditors

The auditors, Ormsby & Rhodes, have indicated their willingness to continue in office. The designated Directors will propose a motion reappointing the auditors at a meeting of the Directors.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BLOOMFIELD CARE CENTRE CLG

OPINION

We have audited the financial statements of Bloomfield Care Centre CLG (the 'Charitable Company') for the year ended 31 December 2023 which comprise the Statement of financial activities, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is Irish law Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) issued by the Financial Reporting Council and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with FRS 102.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2014.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The other information comprises the information included in the Annual report other than the financial statements and our Auditors' report thereon. The Directors are responsible for the other information contained within the Annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

OPINION ON THE OTHER MATTERS PRESCRIBED BY THE COMPANIES ACT 2014

In our opinion, based on the work undertaken in the course of the audit:

- in our opinion, the information given in the Directors' Report is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the Charitable Company were sufficient to permit the financial statements to be readily and properly audited, and financial statements are in agreement with the accounting records.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

Based on the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF BLOOMFIELD CARE CENTRE CLG (CONTINUED)

RESPECTIVE RESPONSIBILITIES

RESPONSIBILITIES OF DIRECTORS FOR THE FINANCIAL STATEMENTS

As explained more fully in the Directors' responsibilities statement, the Directors (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: [https://www.iaasa.ie/Publications/ISA 700 \(Ireland\)](https://www.iaasa.ie/Publications/ISA 700 (Ireland)). The description forms part of our Auditors' Report.

THE PURPOSE OF OUR AUDIT WORK AND TO WHOM WE OWE OUR RESPONSIBILITIES

This report is made solely to the Company's Members as a body. Our audit has been undertaken so that we might state to the Company's Members as a body those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company's Members as a body, for our audit work, for this report, or for the opinions we have formed.

BLOOMFIELD CARE CENTRE CLG

(A COMPANY LIMITED BY GUARANTEE)

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

1. GENERAL INFORMATION

Bloomfield Care Centre CLG is incorporated in the Republic of Ireland. The registered office of the company is Stocking Lane, Rathfarnham, Dublin 16. The principal activity is that of the operation of a psychiatric hospital and nursing home.

2. ACCOUNTING POLICIES

2.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2014.

Bloomfield Care Centre CLG meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The Financial Statements have been prepared in full compliance with Financial Reporting Standard 102 and the Charities Statement of Recommended Practice.

The functional and presentational currency of the financial statements is Euro.

2.2 COMPANY STATUS

The company is a company limited by guarantee. In the event of the company being wound up, the liability in respect of the guarantee is limited to €2 per member of the company.

2.3 FUND ACCOUNTING

General funds are unrestricted funds which are available for use at the discretion of the Directors in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Directors for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Restricted funds in relation to the acquisition of fixed assets are accounted for as restricted funds until the related asset is acquired and put into use. At that point the restricted fund is transferred to unrestricted funds on a straight line basis over the life of the agreement.

Investment income, gains and losses are allocated to the appropriate fund.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

2. ACCOUNTING POLICIES (CONTINUED)

2.4 INCOME

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Company has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Company, can be reliably measured.

Where the donated good is a fixed asset, it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset class and depreciated over the useful economic life in accordance with the Company's accounting policies.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the Company which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

2.5 EXPENDITURE

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Company to raise funds for its charitable purposes and includes costs of all fundraising activities events.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

2. ACCOUNTING POLICIES (CONTINUED)

2.6 TANGIBLE FIXED ASSETS AND DEPRECIATION

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

At each reporting date the Company assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined to be the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Freehold property	- 2.5% Straight Line
Motor vehicles	- 20% Straight Line
Fixtures and fittings	- 10%-20% Straight Line
Computer equipment	- 25% Straight Line

2.7 INVESTMENTS

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

2.8 INTEREST RECEIVABLE

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.9 DEBTORS

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.10 CASH AT BANK AND IN HAND

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

2. ACCOUNTING POLICIES (CONTINUED)

2.11 LIABILITIES AND PROVISIONS

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.12 FINANCIAL INSTRUMENTS

The Company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.13 PENSIONS

The Company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Company to the fund in respect of the year.

3. CRITICAL ACCOUNTING ESTIMATES AND AREAS OF JUDGEMENT

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

a) Recoverability of debtors

Estimates are made in respect of the recoverable value of trade and other debtors. When assessing the level of provisions required, factors including current trading experience, historical experience and the ageing profile of debtors are considered.

b) Useful economic life of tangible assets

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended when necessary to reflect current estimates, based on future investments, economic utilisation and the physical condition of the assets.

Quaker House

During 2009, the ownership of Quaker House was transferred from Bloomfield Care Centre CLG. to Friends Trusts (Eire) (FTE) as bare trustee. The trusteeship is governed by the Cy-Pres of 24 January 2006 and the Fee Farm Grant of 17 November 2009 which determine that Quaker House Dublin is "to be held by Friends Trusts (Eire) Limited in trust for the general religious and charitable purposes of the Religious Society of Friends in Ireland (The Society) PROVIDED ALWAYS that, for as long as any branch of the Society (including without limitation IYM and Dublin Monthly Meeting) continue to use or occupy Quaker House for such purposes, Quaker House shall be held by Friends Trusts (Eire) Limited in trust for the Society. However, if at any time, the Society ceases to use or occupy Quaker House for such purposes, the said property shall thenceforth be held by Friends Trusts (Eire) Limited in trust for Bloomfield Care Centre CLG for its charitable purposes."

The benefit of the asset and the responsibility for its ongoing maintenance has been vested in Ireland Yearly Meeting. However, as the asset can not be sold either by Ireland Yearly Meeting or Friends Trusts (Eire) Limited, no value will appear in the balance sheets of Ireland Yearly Meeting or Friends Trusts (Eire) Limited.

Trade Debtors are stated after a bad debt provision of €322,795 (2022 : €383,073)

In the 2022 Financial Statements in Other Debtors is the amount of €10,706,740 representing the value placed on the nursing home footprint at Stocking Lane, Rathfarnham, Dublin 16, when Bloomfield Care Centre CLG entered a Put and Call option with a developer in the exchange of properties in February 2005. The Put and Call option entitles Bloomfield to take ownership of the footprint after the 10 year tax life of the nursing home expired, in a cashless transaction. Following the developer companies' discharge from examinership and a lengthy engagement by our solicitors, Orpen Franks, the Option was exercised and the transfer of the footprint to Bloomfield ownership was completed on 13 September 2023.

The value of the footprint of €10,706,740 was transferred from Other Debtors to Land in Tangible Fixed Assets in the 2023 Financial Statements.

The company acts as custodian trustees in relation to resident funds. If required to do so, the company receives resident's funds and maintains funds in a patient property account. These monies are held in a patient property account and are kept separately from the funds of the company.

Payments are made out of the resident's funds at the request of the residents or his or her guardian. In appropriate cases the monies are refunded to the resident or resident's estate.

Appropriate controls over resident's monies are maintained in order to ensure the safe custody and segregation of the funds.

26. CONTINGENT LIABILITIES

Note 30 deals with a Government Grant received in the amount of €17,000,000 by Bloomfield Care Centre CLG. This grant may become repayable to the Health Service Executive in the event of certain conditions not being met. The amount repayable will depend on the unexpired term of the 30 year agreement.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

27. PENSION COMMITMENTS

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The pension cost charge represents contributions payable by the company to the fund and amounted to €171,263 (2021 - €175,903). Contributions totalling €Nil (2021 - €30,940) were payable to the fund at the balance sheet date and are included in creditors.

28. CONTROLLING PARTY

There is no ultimate controlling party. From day to day the directors control the company on behalf of the members.

29. EXCHANGE OF PROPERTIES

On 24 February 2005 Bloomfield Hospital disposed of its property at Bloomfield Avenue, Donnybrook, Dublin 4 to a property developer in exchange for a property at Stocking Lane, Rathfarnham, Dublin 16. Total consideration on disposal of the property was €27,302,903 (ex VAT). Bloomfield Hospital was indemnified from any VAT liability arising from the transaction by the developer.

Part of the consideration, €10,706,740 being the value of the nursing home footprint was the subject of a Put and Call option entitling Bloomfield Care Centre CLG to acquire the footprint of the nursing home at Stocking Lane, Rathfarnham, Dublin 16 from the developer after the nursing home's 10 year tax life expired in a cashless transaction in the form of an uncashed cheque which will satisfy the consideration payable by Bloomfield. Orpen Franks Solicitors had to wait for the developer companies to come out of examinership to exercise this option on behalf of Bloomfield Care Centre CLG. On the 13 September 2023 the developer completed the Put and Call Option and the ownership of the nursing home footprint transferred to Bloomfield Care Centre CLG.

30. DEFERRED INCOME - GOVERNMENT GRANTS

On 14 December 2007 Bloomfield Care Centre CLG entered into a 30 year agreement with the Health Service Executive whereby the Health Service Executive agreed to provide a grant in the amount of €17,000,000 to Bloomfield Care Centre CLG for the construction of a new health care facility at Stocking Lane, Rathfarnham (Phase II).

This grant was previously accounted for Statement of Standard Accounting Practice No 4 – Accounting for Government Grants. It was therefore accounted for as under creditors amounts falling due after more than 1 year and an appropriate percentage of the deferred income was released annually to Income and Expenditure.

This accounting treatment is not permitted under Accounting and Reporting by Charities: Statement of Recommended Practice consistent with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)).

Under the requirements of the SORP Capital Grants are recognised as incoming resources when the Charity becomes entitled to the Grant. Accordingly the accounts have been restated in compliance with the SORP to account for the deferred income as part of the restricted funds of the charity. (See accounting policy 2.3)

The accounting policy of the organisation as set out in Note 2.3 is to transfer the remaining balance on a straight line basis from restricted funds to unrestricted funds over the life of the agreement.
